One-Stop Shopping for all Your Professional and Personal Insurance Needs

Professional Products and Services for **CLSA Members**

Vista International Insurance Brokers is the only authorized insurance broker for California Land Surveyors Association

Follow Our Route To Success - Risk Management for Professional Land surveyors

Vista is Here for You

Vista International Insurance Brokers provides a comprehensive approach to the risk and exposure that land surveyors face by offering One-Stop Shopping for all of your insurance needs.

Professional Liability

Vista offers professional liability insurance with broad coverage at competitive group rates with a flexible combination of limits and deductibles to suit your individual needs. Some of the highlights include contingent bodily injury and property damage coverage, worldwide coverage, defense cost, former officers, directors and employees coverage, innocent principals protection, asbestos coverage, expanded definition of insured, extended reporting period, and waiver of subrogation.

The underwriter provides free legal contract review service, risk management and claims consultation services to **CLSA members** at no charge.

Professional Office Package including Equipment

Designed expressly for your professional requirements, this coverage includes property, inland marine and commercial general liability. There are a number of optional limits to satisfy virtually any requirement. Automobiles that are owned, hired or non-owned are included at competitive rates. This coverage provides protection for your property and that of you clients, your records and resource materials, and your information technology systems (including data loss and equipment failure.) Optional Business umbrella protection with limits up to \$10 million is available.

Workers Compensation

Our workers' Compensation Program is provided by one of the leading Worker' Compensation underwriters.

We offer paperless claims processing through an 800 number or via the Internet. We carefully monitor your claims to their conclusion. Our objective is for each claimant to receive the best medical care and return to work as soon as possible.

Medical case management, utilization review, and cost containment procedures are closely followed to preserve the good experience of this program.

Also Available

Employment Practices Liability

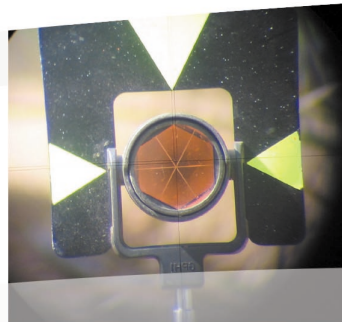

This coverage is offered at attractive group rates with limits of up to \$10 million to protect you from risks associated with hiring, managing or terminating employees, including allegations of sexual harassment, discrimination, and violation of the Americans with Disabilities Act or Family Medical Leave Act. Your entity as well as employees (full-time, part-time, seasonal, temporary and volunteers) are covered. Third-party liability, broad 17-point definition of Employment Practices Act, and worldwide coverage are some of the highlights of this coverage.

Personal Insurance

Vista offers a wide array of competitively priced products for **CLSA members** homes, automobiles, personal umbrella, rental properties, watercraft, and other forms of recreational vehicles.
