Joint Chapter Meeting

Panel Discussion with the Orange County Chapter JPPC and Los Angeles Chapter PPC

The panel will discuss critical issues in Orange and Los Angeles Counties regarding land surveying, the process used when issues are brought to the attention of these committees and their interactions with the Board of Engineers, Land Surveyors and Geologists. Be on hand to ask the panel some tough questions! Don't worry, specific cases and names won't be part of the discussion.

Special Recognition of Diane Wells, PLS

Diane is planning to retire from Caltrans this summer. She organized numerous PLS Examination Preparation Classes in Sacramento, Los Angeles and Orange. Please join us in sharing your special thanks to Diane for her hard work and diligent efforts in organizing these classes. All of Diane's Kids are asked to attend and join her in a group photo!
