

Wednesday, October 11, 2017

2nd Wednesday of the month due to scheduling considerations relating to the Cal Poly Geomatics Conference

Board News

Ric Moore and Dallas Sweeney will visit our LA chapter to discuss the latest news relating to the Board. Among the topics that will be reviewed are stats relating to the PLS exam, changes to the FS exam and the PLS exam, as well as changes to the application process. They will also answer any questions you have for the Board.

Ric Moore, PLS and Dallas Sweeney, PLS Board for Professional Engineers, Land Surveyors, and Geologists

Ric Moore: After working in the land surveying profession for more than 30 years, Ric Moore, Executive Officer, began working at BPELSG in 2007 when he contracted as the Land Surveyor Consultant to what was then BPELS. In 2009, he joined staff by assuming the newly formed Senior Registrar Land Surveyor position. After managing the licensing examination operations of the Board, Ric was appointed by the Board to be the BPELSG Executive Officer in July 2011.

Dallas Sweeney: Dallas Sweeney, PLS started with the board December 1, 2016. Prior to joining the board he worked in private practice, running the family surveying firm that his father started in 1973. He is a past president of SAGE (Surveyors, Architects, Geologists and Engineers), a local professional organization. He is also very involved in the local community as President of the local Little League and assists the local 4H club. He was also National and International President of Active 20- 30, working with young professionals
