Trig*Star Program
C/o George Marchenko
612 Clarion Court,
San Luis Obispo, CA. 93401.
Phone 597-7140**

Dear Land Surveyor,

The Trig*Star project, as you know, is a popular program which introduces the surveying profession to High School age children. The annual Chapter cost of implementing this competition locally, ranges from \$1500 to \$2200.

The purpose of this letter is to solicit a donation from you, or your firm, to help fund this worthwhile program. We are asking for \$200 from each firm, less from any individual donors. I hope I can count on you to send what you can to support this worthwhile program that the Central Coast Chapter continues to support.

In 2017 we had held Trig*Star at Atascadero, San Luis Obispo, Morro Bay and Mission Prep High Schools, Righetti High had a hiatus but we hope to bring them back this year. Our Chapter winner also won the State Trig*Star award. This month (March 2018) she will be receiving her \$1,000 prize from CLSA. I hope to be able to hand it to her on behalf of CLSA and our Chapter.

I would greatly appreciate it if you, or your company, would join us in assisting our chapter by sending your check payable to CLSA to George Marchenko, at 612 Clarion Court San Luis Obispo, CA 93401. Thank you.

Thank you again for your support.

Sincerely,

George Marchenko, CCC CLSA 2018 President and Trig*Star Coordinator
